JSR Happenings

By Harley Davidson,
SASS #47309

The Shootout at Lithia Springs is two weeks away with 75 shooters already registered for the event and JSR members are buzzing around to finish up the last of the details. There are two work parties scheduled to take care of details at the range where a lot of help is needed. This Saturday, **August 13th** starting at **7am**, there is a list of things that need to be accomplished like getting the pavilion ready, paint-

ing props, cleaning/painting the bathrooms, putting up canopies, and setting up bee traps. The more hands the better and the faster we can get out of the heat that is sure to accompany the day.

There will also be a work party to set up for the shoot, Friday, **August 26th** also starting at **7am**. This will be a time to put the final touches on the pavilion (wiping down the tables and wetting down the area to help reduce dust), set up

all the targets, hand out shooter packets as shooters begin to show up and make camp, direct traffic for those shooters bringing RVs, and other various tasks that may come up.

If you are available to help it would be appreciated. Bring rakes, ladders, power drills/screw drivers, and other tools you think might come in handy. And, don't forget some water! We hope to see you there!

Happy Reading!

TG Wire-Expanding Senior Categories

By Sweetwater Jack
SASS #28885L

"One of the most active posts on the SASS T/G Wire lately has been about the ever-growing size of the "Senior" shooting category. As our nation, and especially Cowboy Action Shooting, "matures" we are seeing the huge influx of those folks who were once known as "Baby Boomers" join the ranks of the Seniors. The Senior Category is fast becoming the largest category in CAS. The question has been brought up on how to

"handle" this category in the future. There were 106 "Senior Men" registered at End of Trail, the second-largest group shooting! One of the suggestions forwarded is to split the Senior Category in half, ages 60-64 as Seniors, 65-69 as Super Seniors. A second idea was to add the following to the Senior categories and leave the age-split alone:

Senior Frontier Cartridge, Senior Gunfighter, Senior Frontiersman, Senior Classic Cowboy, Ladies Senior Classic, and keeping Senior Duelist. As we all know, the "49'er" Cate-

gory was created in the same manner to reduce/manage the "Traditional" Category and has served the purpose very well. This subject, will, as I understand it, be a point of discussion at the T/G Summit in December. These changes would, if brought about, apply at State, Regional, and National levels and COULD be used at the Club level, if desired, but would not be mandatory. Please drop Col. Gilliam a line with YOUR thoughts on this subject so that he will be prepared to promote YOUR desires at the Summit"

We WANT You!!!

By Sourdough Smitty,
JSR President

Wondering What to do With Your Spare Time??

The Ninth Annual Shootout at Lithia Springs is quickly approaching and there are still things to do. To get to the point if you are willing to help please jump right in, the water is fine. There is something for everyone.

Can you Paint? If you can use a brush and roller the facilities could use some touching up. If your artistic talents involve rattle cans,

there are props and targets that will need painting.

Can you be a Team Leader? Can you be a team leader at the Work Parties, so everyone has a "go to" guy/girl when then need to know what needs to be done? Leaders are needed to oversee the Pavilion Area, Stages, and General Cleaning and Maintenance.

Strong Backs? Your help would be greatly appreciated in setting up the stages (steel and props) and with putting up the sun screen and setting up the tables in

the pavilion and putting the covers up on the canopies.

Penmanship? If you can write legibly there are name tags to make and shooters packets to put together.

Good with kids?? Contrary to popular belief not all Cowboy Action Shooters are dirty old men, for some reason this shoot does bring in some younger (under 49er) shooters with kids. We would once again like to provide a kiddy korral.

Can You Sew? The club could use some new dum-

mies. If you were at last months shoot you saw the faces of two of our newest "members" but they could use some bodies. Can you help?

Can You Drive a Quad? H. Apple Bob needs assistance running the Redneck Trolley. Can you help drive the ATV?

Can You Shop? We are still looking for good door prizes.

If you see or think of something please call Sourdough
